March 2018

## National Reading Day is March 3rd!

Today you are you,  
that is truer than true.  
There is no one alive  
who is Youer than You.  
-- Dr. Seuss

Don't give up.  
I believe in you all.  
A person's a person  
no matter how small.  
- Dr. Seuss

You're never too old, too wacky, too wild,  
To pick up a book and read with a child.  
You're never too busy, too cool, or too hot,  
To pick up a book and share what you've got.

In schools and communities,  
Let's gather around,  
Let's pick up a book,  
Let's pass it around.

There are kids all around you,  
Kids who will need  
Someone to hug,  
Someone to read.

Come join us March 3rd  
Your own special way  
And make this America's  
Read to Kids Day.

You won't be disappointed! :)

KKLC is holding our first Family Art Night on Tuesday, March 13th from 6:30-7:30. We have an artist among our teaching staff who will be demonstrating a spring piece for the kids to replicate with help from their parents! Ashlynn is our PreK-1 teacher, who also is an art professor at MacMurray College. Ashlynn received her Master's Degree from Eastern Illinois University in Studio Art and specializes in Oil Painting. She also teaches classes at the Jacoby Art Center in Alton. She has taught different types of art to all ages and abilities, has held "mommy and me" classes, and adult paint classes. We are so excited to have her aboard the KKLC family and we hope you will join the fun and come to our first Family Art Night!

## Healthy Habits for Life

We've been busy listening to our bodies! Our children have been listening to their bodies, stretching, and dancing as they explore energy and the importance of getting the right balance of healthy foods, physical activity, and rest!

### Did You Know?

Many young children do not get enough sleep! Preschoolers need about 11-12 hours, including nighttime and naps!

## Toddlers!

The Toddler Room is a very busy room! Our kids love to sit and listen to stories and they love to dance and explore! The teachers love working in the Toddler Room because they get hugs and kisses and they can just be as silly as they want, and the kids LOVE it! Ms. Maureen, Ms. Ellie and Ms. Bre enjoy working with this age group! Ms. Maureen was surprised that she has been working in childcare for over twenty years! We are so lucky to have such great experience and talent as part of our KKLC family!

## Who was St. Patrick...?

St. Patrick, the patron saint of Ireland, is one of Christianity's most widely known figures. But for all his celebrity, his life remains somewhat of a mystery. Many of the stories traditionally associated with St. Patrick, including the famous account of his banishing all the snakes from Ireland, are false, the products of hundreds of years of exaggerated storytelling.
