# Changing Weather...

It's that time of year again when the wind begins to blow, the leaves begin to fall, the days are shorter and the temperatures begin to drop.

Please be sure your child is prepared for outdoor play by having a light jacket available if needed in their cubby!

## Two's Classroom Spotlight!

Hi! My name is Makenna Dawdy and I am the Twos Lead Teacher! This position is new to me but I am very excited to have it. I currently am a full time student at Lincoln Land Community College studying Early Childhood Education. Over the past year, I have been the Toddler/Twos float. I am super excited for the new activities we will be doing! I am eager to help your children develop new skills as they grow. Always feel free to reach out to me if you have any questions, concerns, or ideas!

Morgan Wheeler will be our new Co Teacher in our Twos classroom. Morgan comes to us with years of experience with young children. We are excited to have her join our team!

Enjoying the last days of summer...

# The After School Club!

The KKLC After School Club would like to welcome our new Kindergarteners that have joined us for the 2021-2022 school year! We have fun activities planned for you and we are so glad that you are here!

Please note that students 1st grade and older will have time set aside to work on homework if they choose. We are also planning on having a "Buddy Reading" system with our SA students, which will be great for both our School-Age and our Kindergarten kids! It's going to be a great school year!

## Caramel Apple Pie Cookies

1 Package refrigerated pie crusts  
 1 jar caramel sauce  
 1 can apple pie filling  
 1 egg, lightly beaten  
 3 TBSPs cinnamon sugar  
 2 TBSPs flour (for sprinkling)

Preheat the oven to 350 F

Sprinkle a little flour on a clean work surface. Roll the dough a little bit.

Spread a thin film of caramel sauce over the crust.

Chop up the apple pie pieces so they're smaller, then spread over the caramel sauce.

Sprinkle a little flour on your clean work surface and again roll out the dough very slightly. Use either a pastry cutter or a knife to cut a bunch of strips 1/2 inch wide.

Using the strips, make a lattice over the top of the pie.

Get a round cookie cutter and cut out the caramel apple pie cookies.

Brush a little of the egg wash across the strips on the cookies, sprinkle cinnamon sugar. Bake for 20-25 minutes until golden brown. Leftover scraps bake up deliciously too!
