## Water Play Days are Back!

It's our favorite time of year! The sun is out and we are ready for some water play!

Weather permitting, water play days are scheduled for **Mondays, Wednesdays, and Fridays** for Toddlers, Twos, and PreK. Infant water days **Tuesday's and Thursday's**.

Please be sure to bring the appropriate swim gear! Please see classroom teachers if you have any questions or concerns regarding these items or water play! Please label all items or ask your child's teacher to label items when you bring them in so that there is no confusion on swim gear from child to child.

# Summer Camp is Ready to Roll Out!!!

## Summer Camp is back!

We have a very exciting summer that is jam-packed with activities!

Our first field trip will be **June 13th** and we will be going to the Nipper Wildlife in Loami.

Summer Camp field trips are scheduled for Monday, Wednesday, and Fridays with a few Tuesday and Thursday. Please see the swim gear list on the front of this newsletter for what to bring for swim days. Please make sure campers wear tennis shoes as we do a lot of walking and hiking while we are on field trips and even while we are here at KKLC. We like to be very active all summer! Ms. Tiffany will have a packet for our summer campers with more information!

## Welcome to the KKLC!

We have some new faces around KKLC! We have two new staff members joining the KKLC family, Miss Taylor and Mrs. Jenae. Please help us welcome them! Also, please help us welcome Miss Callie back from college. She will be covering in different classrooms along with helping with Summer Camp! We are also welcoming back Miss Patti as well to a new addition Miss Shelly with Summer Camp help and transportation.

## Doughnuts with Dad!

It's that time of year again... It's time to honor our fathers and show them how much we love them. KKLC will host Doughnuts with Dad on June 20th.

Dads are invited to enjoy a breakfast of doughnuts, coffee, and juice from 6:45am to 8:30 am.

No reservation is required and all are welcome to attend. This is one of our favorite annual events and we hope to see more dads this year than ever before!

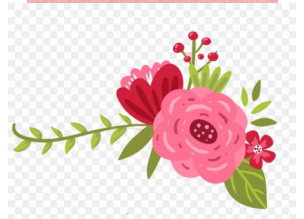

All the classrooms are hard at work here at KKLC making special gifts for this year's Father's Day!

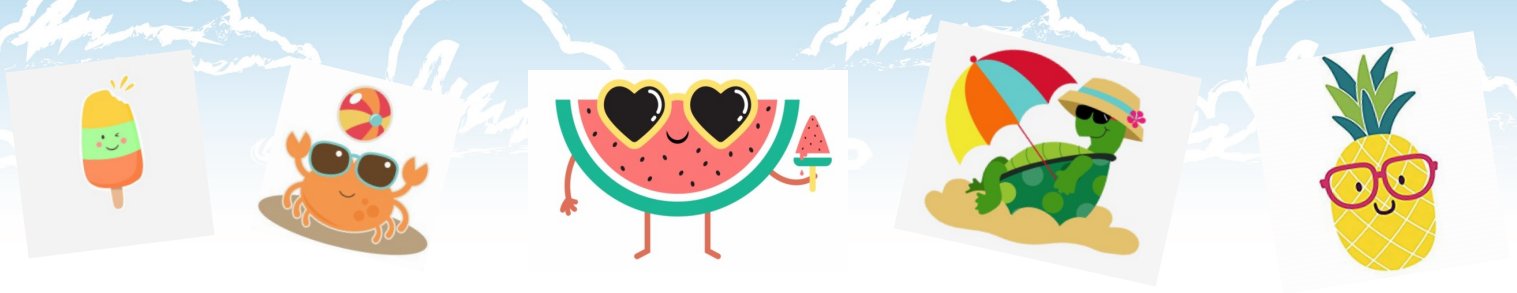

**Dads, THANK YOU for all you do!**

## Parent Teacher Conferences

**Parent-Teacher Conferences are back! We use two types of assessments to help gauge where each child is academically and socially. We love this opportunity to sit down and meet with our parents one on one! Please be on the lookout for sign up sheets in your child's classrooms!**
