How many Dr. Seuss books can you name?!

Fun Facts about Dr. Seuss!

He kept a closet full of wacky hats. Whenever he was stumped writing, he'd put on a suitable hat to help the words flow.

His full name was Theodor Seuss Geisel, but his friends called him Ted.

It took him over a year to write Cat in the Hat—and it only uses 236 different words!

He often came up with story ideas by doodling.

Who was St. Patrick...?

St. Patrick, the patron saint of Ireland, is one of Christianity's most widely known figures. But for all his celebrity, his life remains somewhat of a mystery. Many of the stories traditionally associated with St. Patrick, including the famous account of his banishing all the snakes from Ireland, are false, the products of hundreds of years of exaggerated storytelling.
