Muffins with Mom!

Please join us for a special Mother's Day
breakfast on **Monday, May 15th.**

We will have muffins, juice, milk, and
coffee ready by 7am! We hope that you
can make

arrangements to join your little one(s) for
a light breakfast in
honor of some of our
favorite ladies!

Closed for Memorial Day!

Just a friendly reminder that we are **CLOSED**
on Monday, May 29, 2023

Please have a fun and safe holiday weekend!

YOU ARE MAKING
A DIFFERENCE
EVERY
day.
THE DAYCARE
TEACHERS

Summer Camp Is Almost Here!

It is almost Summer Camp time! The field trips are booked, the Big Blue Bus is getting a makeover, and our tie-dyed shirts have been washed! All we need is for the end of May to get here! We are so excited and we hope you are too! Summer Campers will need sunscreen, comfortable tennis shoes (please no flip flops or sandals), socks, and sunglasses or a hat may be helpful. You might also want to bring in bug spray and a change of clothes and of course, swim gear! You will receive a Welcome Letter with all of the specifics!! We still have spots left this summer, so share our program with others!

Easter Egg Hunt 2023

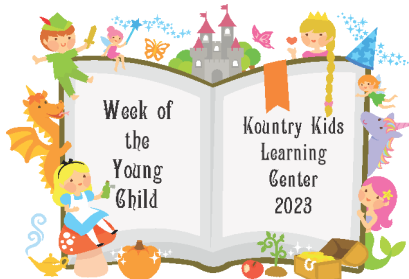

Thank you to everyone who was able to attend this year's Easter Egg Hunt.

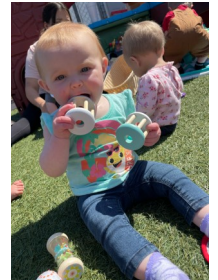

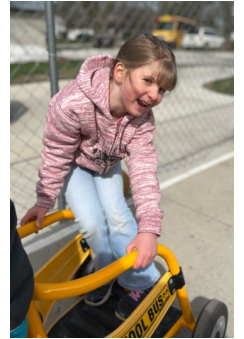

Teachers Spotlight!

May 8th through May 12th is Teacher Appreciation Week and May 2nd is National Teacher Day! We have some of the best teachers at Kountry Kids Learning Center, who deserve to be celebrated every single day for their hard work and dedication to our kiddos! Please make sure you take some time this week to tell your child(ren)'s teachers how much you appreciate them! We are so blessed to have a teaching team that cares for children as their own, that dedicate time for trainings that keep them up to date on the latest early childhood trends and research based curriculums that will be developmentally appropriate for the children in their care! Happy Teacher Appreciation Week!

2023 Week of the Young Child

Fluffy Slime Recipe!

2/3 c. White Elmers Glue
 1/2 tsp. Baking Soda
 1/4 c. Water
 2-3 c. Shaving Cream
 1.5 tablespoons Contact Lens Solution
 Important: your brand of contact lens solution must have boric acid and sodium borate in the ingredient list. This is what interacts with the glue to form the **slime

Unpoppable Bubbles!

Measure 6 cups of water into one container, then pour 1 cup of dish soap into the water and slowly stir it until the soap is mixed in. Try not to let foam or **bubbles** form while you stir.
 Measure 1 tablespoon of glycerin or 1/4 cup of corn syrup and add it to the container. Stir the solution until it is mixed together.

DIY Sidewalk Chalk

Mix 1 cup of Plaster of Paris with 3/4 cup of water. Add color to your mixture using powdered tempera paint. Blend well and let stand for a few minutes. Pour your mixture into the molds you chose. Set aside and let dry completely. Once dry you can remove your chalk from the mold. Set it aside to dry for approximately 24 hours more. Take your chalk outside and create fun masterpieces!
