KKLC is  
closed  
July 3rd—7th

# DONUTS WITH DAD

It's that time of year again... It's time to honor our fathers and show them how much we love them. KKLC will host Doughnuts with Dad on June 19th.

Dads are invited to enjoy a breakfast of doughnuts, coffee, and juice from 7:00am to 8:00am.

This is one of our favorite annual events and we hope to see more dads this year than ever before! All the classrooms are hard at work here at KKLC making special gifts for this year's Father's Day!

**Dads, THANK YOU for all  
you do!**

# Sick Child Policy Update!

If your child is ill, we request that you notify the center administration of the absence, as well as the nature of the illness. This enables our staff to keep track of any illnesses that may occur at our center. If your child has a communicable disease, we ask that you share the diagnosis with the center administration, so that the parents/legal guardians of the children in the school may be notified that a communicable disease is present. Only the communicable disease information will be shared. Kountry Kids Learning Center will take all measures necessary to protect your child's confidentiality. Parents are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share the reason for your child's absence from school. Symptoms which exclude the child from daycare or will lead to a child being sent home from the daycare are as follows:

- A child with a fever of 101 degrees F or higher may be sent home at anytime upon administration discretion
- A child with diarrhea and/or a rash combined with a fever of 101 degrees F or higher - child may not return until free of all symptoms for 24 hours.
  - Illness which prevents the child from comfortably participating in program activities.
  - Illness which calls for greater care than the staff can provide without compromising the health and safety of the other children.
- \* Vomiting 1 or more times in the previous 24 hours. Child may not return until 24 hours after the last episode of vomiting.

\*

In any case that one of the above-mentioned conditions presents itself during the day, parents/legal guardians or authorized emergency contacts will be notified by phone and will be asked to pick the child up from the center and will need to do so within one hour of being notified. Children will be cared for and kept comfortable in the office separate from the other children until they are picked up. The ill child **MUST** be symptom, fever, vomit, diarrhea free 24 hours (without fever reducing medication) to return to care. Payment will still be required in full for any time missed due to illness or injury.

You can find the list of other illnesses in your parent handbook.
