Happy Birthday, KKLC!

We want to thank everyone who came out and helped celebrate KKLC's birthday! It has been the best fifteen years and we wouldn't be here if it wasn't for our amazing families! We hope everyone had a great time playing, mingling, and of course, eating ice cream! Cheers to many more years for KKLC....

Fire Safety Week

October 9-13, 2023

Our classrooms will have different activities to learn about fire safety throughout the week, but it is also important to discuss fire prevention at home as well! We will have a special surprise for the kids during the week!

****This is not only a great time to check your smoke detectors and fire extinguishers, but it is a great time to discuss a family plan for emergency situations!****
