Pre-k Sept 12th

Kountry Kids

Enjoying the last days of summer...

Fun things happening in the center!

Toddlers have been playing with bubbles. This month they will be working on their shapes and colors.

Pre-k will be working on identify and writing their name and letters. Last week they were talking about zoo animals and they made monkeys.

Babies will be working on using their fine motor skills and building their gross motor skills.

School age has finished their maps of the continents.
