- Cutter Cully (25th)
- Brantley Fogle (26th)

KKLC Staff with Santa

Ring in 2025

With a new year comes new excitement at Kountry Kids Learning Center! A new year is a time to not only celebrate all the lessons taught and learned and memories made, but also the perfect opportunity to dream into the future of what great things are to come in 2025; first steps will be taken, first words will be spoken, new adventures will be experienced, and new smiles will be introduced to the KKLC family. Here at KKLC, we feel truly blessed and we cannot think of a better time to step back and reflect. I encourage you to take a moment to do the same for yourself and your family at home. Cheers to a great 2025!

Reminder of our Winter Weather Policy!

Per page 14 of the KKLC Handbook: "In the even that New Berlin CUSD #16 is closed on account of inclement weather (snow, treacherous road conditions, etc.) KKLC will also be closed for the safety of our families and staff. Please call ahead to verify that the center is open before you leave home on days that there is inclement weather (i.e.—heavy snowstorms). Families will be notified via our Facebook page and a text message alert if KKLC will be closed. No refunds are given for days missed due to inclement weather, etc."

Please know the safety of our staff and families is always our first priority when making the decision to close for inclement weather.

Healthy Habits for Life

Some fun ways to move our bodies that helps are brains grow is to have dance parties, yoga, mindful breathing, going on walks, riding bikes, and several other activities we do. Sometimes, the only way to get way to get out big emotions and movements is to move our bodies! Around KKLC, you will always find us moving our bodies in some way take a look below for some fun things we do around here! Parents, we encourage you get up and move with your child!

Tuition Rate Changes

“To continue providing a quality program, it is necessary to increase our weekly tuition rates. In addition to the additional wage costs, many expenses have continued to rise over the past year. This is a continued step increase as the minimum wage increases each year. You can expect another increase in 2025, as minimum wage will also increase again in 2025.”

2025 tuition rates will be: (Rates are based on AGE, not CLASSROOM)

Classroom Age Full Time:

Infants (6w-15mo) \$275

Toddlers (15mo-2yr) \$265

2 Years (2 years) \$255

3 Years (3 years) \$245

4 years-K (4-5 years) \$235

Before/After (in school) \$140

Summer Camp \$215

These rates will take effect on January 1, 2025

Annual Reminder: Pest Control

KKLC has an Integrated Pest Management (IPM) Program for both our Berlin and Rushville locations. The safety of the KKLC families is always in our front of mind here and our pest control management plan is just one more way we can insure the well-being of the children we educate. Our facilities are monitored and serviced by CT Adam's Pest Control and our IPM meets all the requirements set forth by the DCFS 407.
