## Fire and Severe Weather Drills – Pg 15

Kountry Kids Learning Center staff and children participate in Fire and Disaster drills regularly. Evacuation plans are posted in each classroom.

In the event that Schuyler-Industry School District is closed on account for inclement weather (snow, treacherous road conditions, etc.). KKLC will also be closed for the safety of our families and staff. Please call ahead to verify that the center is open before you leave home on days that there is inclement weather. (i.e. heavy snowstorms). KKLC- Rushville Facebook page along with a Tadpoles text alert stating KKLC will be closed. No refunds are given for days missed due to inclement weather, etc.

If evacuation has been deemed necessary in the case of an emergency, Kountry Kids Learning Center staff and children will be relocated to the Triplett Funeral Home (located just next door). KKLC has an ongoing agreement with the funeral home to use their facility, if necessary. Once the children have been relocated safely, all parents/guardians will be contacted via Tadpoles emergency notification system or via phone calls from staff and administration.
