KKLC Staff with Santa

Ringing in 2026

As we look back on the past year at KKLC, our hearts are full of joy and gratitude for the memories we've shared together. Each laugh, milestone, and moment of discovery reflects just how much your child has grown—socially, emotionally, and academically—and it has been a true honor to witness that journey. We celebrate every family who has trusted us with the care, guidance, and love of their precious child; your partnership means more to us than words can express. As we step into a new year, we are excited to welcome new families, embrace new adventures, and continue nurturing even more growth, learning, and unforgettable moments together.

Reminder of our Winter Weather Policy!

Per page 14 of the KKLC Handbook: "In the event that New Berlin CUSD #16 is closed on account of inclement weather (snow, treacherous road conditions, etc.) KKLC will also be closed for the safety of our families and staff. Please call ahead to verify that the center is open before you leave home on days that there is inclement weather (i.e.—heavy snowstorms). Families will be notified via our Facebook page and a text message alert if KKLC will be closed. No refunds are given for days missed due to inclement weather, etc."

Please know the safety of our staff and families is always our first priority when making the decision to close for inclement weather.

When the Weather Outside is...

Cold and snowy days don't have to slow us down! When winter weather keeps us indoors, we keep little bodies moving with fun activities like dance parties, obstacle courses, animal movements, yoga, and balloon games that build strength, coordination, and lots of smiles. When it's safe to head outside, children enjoy snow walks, building snowmen, making snow angels, and even helping with kid-sized shovels—turning winter into an active adventure. Quick movement breaks like action songs, Simon Says, and Follow the Leader help release energy throughout the day, keeping children healthy, happy, and engaged all season long.

Tuition Rate Changes

We strive to keep tuition increases to a minimum whenever possible. However, as operating and living costs continue to rise, adjustments are necessary to maintain the quality of care and programming we provide. As a result, tuition rates will increase beginning January 2026.

2026 tuition rates will be:

(Rates are based on AGE, not CLASSROOM)

Classroom Age Full Time:

Infants (6w-15mo) \$280

Toddlers (15mo-2yr) \$270

2 Years (2 years) \$260

3 Years (3 years) \$250

4 years-K (4-5 years) \$240

Before/After (in school) \$145

Summer Camp \$220

These rates will take effect on January 1, 2026

Annual Reminder: Pest Control

KKLC has an Integrated Pest Management (IPM) Program for both our Berlin and Rushville locations. The safety of the KKLC families is always in the front of our minds here and our pest control management plan is just one more way we can insure the well-being of the children we educate. Our facilities are monitored and serviced by CT Adam's Pest Control and our IPM meets all the requirements set forth by the DCFS 407.
