Changing Seasons...

With cooler temperatures arriving, please remember to send a **jacket** or **sweatshirt** with your child each day. While afternoons may still be warm, our mornings can be chilly!

Please also take a moment to check your child's cubby and make sure they have a **weather-appropriate change of clothes that still fits**. Children grow quickly, so now is a great time to swap out anything they may have outgrown.

Homecoming Parade 2026

Each year, we are proud to participate in the New Berlin Homecoming Parade, and we would love for our families to join us! We'll be walking alongside the Big Blue Bus and passing out pretzels and candy.

Families are welcome to bring their own bag of candy to share if they'd like. Wagons and strollers are encouraged, and of course, you can also ride the Big Blue Bus.

As we receive more information about the parade, including times and meeting details, we will send updates to families through Tadpoles. Keep an eye out as Homecoming gets closer!

Enjoying the last days of summer...

KKLC After School Program

We are excited to welcome our new Kindergarteners who have joined us this year. We are so glad you are here!

Each afternoon, our After School Program greets the children with snack and fun activities to enjoy together. From time to time, our group also visits Berlin Park. On those days, you may be picking your child up from the park, and they will have their book bags with them.

If you have any questions please do not hesitate to reach out to us- we're always happy to help!

PreK Field Trip Fun Ahead!

Ms. Lisa has been hard at work organizing this year's field trips, and we are excited to share that there are some really fun and educational adventures in the works! We'll be releasing more details as trips are finalized.

As always, parents and caregivers are welcome to join us- we love having you along for the experience!

Congrats to our 2026 Pre-K Graduates!

Procare Reminder

Please remember to clock your child in and out through Procare each day at drop-off and pick-up. This helps us maintain accurate attendance records and ensures we have a correct record of who is in our care each day. Thank you for helping us keep our records up to date!
